ATLA and OCLC Announce Partnership

ATLA has recently become a partner in the OCLC Partnership Program. The news release was issued April 22, 2010 on the OCLC Web site (see http://www.oclc.org/us/en/news/releases/2010/201024.htm). The partnership is designed to improve member benefits, services, relationships, and cost efficiencies.

Library of Congress Documentation for the RDA (Resource Description and Access) Test

The Library of Congress has posted on its Web site (April 21, 2010) the training tools for its U.S. RDA Test participants (http://www.loc.gov/catdir/cpso/RDAtest/rdatest.html) along with a record of the decisions they have made in regard to the RDA Test. Included are Word files and PowerPoint files with information, exercises, and quizzes (answers also supplied).

Revised Greek Romanization Tables

The Library of Congress Policy and Standards Division is accepting comments on the revised Romanization tables for ancient and modern Greek. If you would like to make comments on the revisions, you have until June 30, 2010 to do so. Here are the links to the revised tables:
- Link to Draft of proposed Romanization table for ancient Greek (**PDF - 3 p.; 142 KB**): http://www.loc.gov/catdir/cpso/romanization/greeka.pdf
- Link to Draft of proposed Romanization table for modern Greek (**PDF - 3 p.; 122 KB**: http://www.loc.gov/catdir/cpso/romanization/greekm.pdf

Using Web 2.0 Tools to Enhance Technical Services Work

Here is a free two-day e-forum that you can register for and participate in thanks to ALCTS (ALA's Association for Library Collections & Technical Services). It will be hosted by Elizabeth Winter (Electronic Resources Coordinator at Georgia Institute of Technology in Atlanta) and Sherab Chen (Coordinator for Non-Roman Cataloging at the Ohio State University Libraries, Columbus, Ohio). It will be held May 19–20, 2010. For details, see the
