Why Not Have Telephone Service?

It lessens the laborious detail of housekeeping by bringing the tradesmen within immediate and constant reach of orders.

It increases the facility with which invitations may be extended and accepted.

The sense of security inspired by the knowledge that police and fire departments and physicians may be instantly communicated with is a great comfort.

Telephone service saves TIME, STRENGTH, and NERVES.

THE SERVICE IS CHEAP, THE RATES FOR BUFFALO BEING $24 FOR 400 MESSAGES, AND UPWARDS ACCORDING TO USAGE.

WALDORF SALAD.

Cut nice, tender celery into dice shape. Take King or greening apples, and cut the same. Use half apples and half celery, and place on ice.

DRESSING FOR SALAD: Take yolks of three eggs, put into the oil very slowly, and beat until it clears the plate and forms a ball. Then add to this one half teaspoonful of dry mustard, one half teaspoonful of sugar, one half teaspoonful of salt, a very little Cayenne pepper, and the juice of one large lemon, and then beat it back till it forms a thick cream. This salad requires more dressing than any other.

Mrs. C. W. Miller.

SWEETBREAD SALAD.

One pair of sweetbreads laid in salt water for a while. Remove and boil fifteen or twenty minutes, and then plunge into cold water until thoroughly cold. Take about as much celery as you have sweetbreads, and three hard-boiled eggs, and cut all up together pretty coarse — as coarse as potato salad — and salt to taste. Then just before you serve it, put on the mayonnaise. It is not good to stand long after being put together. Serve on lettuce leaves. Buy plump white sweetbreads. This recipe serves six.

Mrs. J. S. Bartlett.

VEGETABLE SALAD.

One cucumber, three heads of celery, one can of green string beans, six potatoes, one bunch of parsley chopped fine. Put on after dressing.

Mrs. John H. Smith.

DEPOSIT YOUR SAVINGS

WITH THE

Fidelity Trust & Guaranty Co.

OF BUFFALO, N. Y.

Banking Office in Erie County Bank Building.

AMONG THE REASONS WHY YOU SHOULD DO SO ARE THE FOLLOWING:

1—INTEREST is added to your principal at the end of every *three months*, thus compounding *quarterly* the income from your deposits.

2—THE SAVINGS BANKS add interest every six months and on "sums withdrawn during a regular quarter—except the last three days thereof"—no interest is allowed.—For example: Money deposited in a Savings Bank on June 5th and withdrawn on September 26th would not be entitled to interest, although remaining in bank, undisturbed, for 113 days. Such loss is avoided by placing your account with this company.

3—YOU MAY FREELY CHECK against your account without the inconvenience of accompanying each check with your pass book.

4—THE CAPITAL of The Fidelity Trust & Guaranty Co. is $500,000.00 and its stockholders are liable for an additional $500,000.00, thus placing between its depositors and any loss a barrier of

ONE MILLION DOLLARS

EXCLUSIVE OF COMPANY'S SURPLUS.

No limit to the amount you may deposit.

T. S. McFARLAND, SECRETARY. GEO. V. FORMAN. PRESIDENT.
