WALTER BAKER & CO. Ltd.

Dorchester, Mass., U. S. A.

The Oldest and Largest Manufacturers of

PURE, HIGH GRADE

Cocoas and Chocolates

ON THIS CONTINENT.

No Chemicals are used in their manufactures.

Their **Breakfast Cocoa** is absolutely pure, delicious, nutritious, and costs less than one cent a cup.

Their **Premium No. 1 Chocolate** is the best plain chocolate in the market for family use.

Their **German Sweet Chocolate** is good to eat and good to drink. It is palatable, nutritious, and healthful; a great favorite with children.

Baron von Liebig, one of the best known writers on dietetics, says:—

"It [Cocoa] is a perfect food, as wholesome as delicious, a beneficent restorer of exhausted power; but its quality must be good, and it must be carefully prepared. It is highly nourishing and easily digested, and is fitted to repair wasted strength, preserve health, and prolong life. It agrees with dry temperaments and convalescents; with mothers who nurse their children; with those whose occupations oblige them to undergo severe mental strains; with public speakers and with all those who give to work a portion of the time needed for sleep. It soothes both stomach and brain, and for this reason, as well as for others, it is the best friend of those engaged in literary pursuits."
