

The FOLGER LIBRARY EDITION of THE WORKS OF RICHARD HOOKER

Of The Laws of Ecclesiastical Polity

Harvard University Press takes pride in publishing the definitive edition of the works of the first major voice of Anglican theology, Richard Hooker.

Through his eloquent treatise on ecclesiastical law the medieval political thought of Thomas Aquinas became a part of the English political heritage.

Of the Laws of Ecclesiastical Polity luminously sets forth the ethical, political, and religious assumptions of his age.

This critical, old-spelling edition of Hooker's works has been prepared with all the expertise of modern scholarship. Six scholars share editorial responsibility. The texts are based on fresh transcriptions of the most authoritative documents, in many cases manuscripts written or corrected by Hooker himself.

These two volumes represent all of Hooker's work published in his lifetime.

Of the Laws of Ecclesiastical Polity

Your students' best guide to better understanding

The Scribner-Bantam English Dictionary is a contemporary dictionary for contemporary students. Compiled under the general editorship of Edwin B. Williams, one of the world's most illustrious lexicographers, it is concise, clear, and straight to the point: a compact and effective guide to language in common use.

Here's why your students will thank you for recommending The Scribner-Bantam English Dictionary:

It's up to date

It contains many new words that have not appeared in any dictionary before, as well as words that have not previously appeared in a non-specialized dictionary.

It's easy to use

Double-column format, large type, and boldface for main and subentries make it the most legible dictionary on the market; 1136 pages in a standard 6" x 9" trim size make it a handy, desk-size dictionary. *And more important . . .*

It's easy to understand

Clear definitions are written in unstuffy, standard English, and the differences in meanings among synonyms are clearly illustrated. Concise, readable etymologies show word origins and history. And a simplified pronunciation Key—42 symbols to represent the more than 250 sounds which occur in spoken English—will guide your students easily in the pronunciation of new words. Usage notes are given in detail throughout.

80,000 entries. Clothbound. \$8.95, plain. \$9.95, thumb-indexed.

THE GREAT WAR AND MODERN MEMORY

Paul Fussell,
Rutgers University

"One doesn't know quite where to begin to praise this book in which literary and historical materials, in themselves not unfamiliar, are brought together in a probing, sympathetic and finally illuminating fashion. It is difficult to think of a scholarly work in recent years that has more deeply engaged the reader at both the intellectual and emotional level."
—Peter Stansky, *The New Republic*

"Skillful, compassionate....An important contribution to our understanding of how we came to make World War I part of our minds."
—Frank Kermode, *The New York Times Book Review*

"A learned and well-balanced book that is also bright and sensitive....A last irony leaps from these pages: the men of the First World War were heroes as great as the cast of the 'Iliad,' yet their words destroyed the concept of themselves, of all warriors, and of war itself as heroic."
—*The New Yorker*

"With invention and wit, Fussell proceeds to explore the most significant themes, myths, and literary resources that are created or called upon by the situation of warfare....*The Great War and Modern Memory* is dedicated to an infantry sergeant who was killed next to the author in France in 1945; I can't imagine a more humanly wise and compassionate tribute to him than this book provides."
—William H. Pritchard, *Saturday Review*

1975 384 pp.; 15 illus. A Galaxy Book (1977) paper \$3.50

POPULAR WRITING IN AMERICA

The Interaction of Style and Audience

A Shorter, Alternate Edition

Edited by **Donald McQuade**, Queens College, City University of New York; and **Robert Atwan**. □The abbreviated format of this highly successful text has a more contemporary flavor with the inclusion of new selections such as excerpts from *All the President's Men*, *Jaws* and *The Exorcist*. The collected material teaches students to take a critical look at what they read so they can apply the strategies and techniques of effective prose to their own writing. The ads, newspaper and magazine articles, best seller excerpts, and literary classics serve as excellent models for studying the variety of approaches used in successful prose and the effects that a writer's audience has on his style.

Recent books from The Scholar Press

Henry James

The American; revision of 1907

More than thirty years after its first publication, Henry James came to prepare the text of *The American* for the New York edition of 1907. Working in the margins of a copy of the first edition he virtually rewrote the novel.

This manuscript, preserved in the Houghton Library at Harvard, is thus a unique demonstration of the late James confronting his earlier work, an object of incomparable critical value to Jamesian studies.

It is now reproduced in exacting, two-colour facsimile.

\$47.00 (including postage and packing)

Thomas Gray

An Elegy Wrote in a Country Church Yard

Introduction by Alastair Macdonald

With its alternative phrasings, deletions and changes of mind, the Eton Manuscript vividly demonstrates the creative process which produced Gray's best known poem.

This handsome edition reproduces the manuscript, together with a facsimile of the hurriedly-printed first edition; and the introduction should form the definitive study of Gray's sources and techniques.

\$13.00 (including postage and packing)

Ben Jonson

The Workes 1616

Introduction by D. Heyward Brock

A source of controversy from the time of its first publication, Jonson's *Workes* is second only to the First Folio Shakespeare as a monument of the great age of English drama. The Scholar facsimile, a massive folio of over one thousand pages, faithfully reproduces William Stansby's masterpiece of printing.

\$83.00 (including postage and packing)

Edmund Spenser

The Faerie Queene 1596

Introduction by Graham Hough

The 1596 edition was the second to appear in Spenser's lifetime and contains many alterations which are palpably the author's own. With Mutability Cantos from the 1609 edition, this fine two-volume facsimile will help resolve many of the textual problems connected with his *magnum opus*.

The Gorgon's Head

A Study in Tragedy and Despair

WILLIAM R. BRASHEAR

Drawing heavily on the works of Schopenhauer, Nietzsche, and Spengler, Brashear perceives tragedy as a basic way of experiencing the universe and reacting to it. In careful studies of such writers as Tennyson, Conrad, Housman, Shaw, O'Neill, and Arthur Miller, he demonstrates that the writer of tragedy forces his reader not simply to confront a tragic flaw in a single character but rather to confront the gorgon's head itself, the ultimate chaos of the universe.

192 pages / \$8.00

The Golden Horns

Mythic Imagination and the Nordic Past

JOHN L. GREENWAY

Only in the various forms of myths can man find identity, the author argues, and he discusses the varying images of the Viking past as unconscious attempts by northern nations to legitimize their own values. Greenway finds in the modern mind a singular tension between mythic imperatives and the impulse to demythologize.

284 pages / \$11.00

The View from Language

Selected Essays, 1948-1974

C. F. HOCKETT

An eminent American anthropological linguist ranges in these essays over a wide variety of topics, from the structure of jokes to the unity of science, from information theory to the nature of human creativity, from animal communication to ethnographic theory.

Why has THE COMPLETE STYLIST AND HANDBOOK found its room at the top?

Letters and cards from hundreds of teachers tell us you like the useful rhetoric and handbook organization... the wonderfully practical exercises within each instructional unit... those two splendid chapters, "Writing About Literature" and "The English Language"... the open, inviting, and readable typeface and design... the teaching suggestions and strategies in the Instructor's Manual. Published in 1976, **THE COMPLETE STYLIST AND HANDBOOK** has already assumed a leading place in Freshman English. An examination will show you why. If you teach Freshman English and have not yet had a chance to review **THE COMPLETE STYLIST AND HANDBOOK**, you are in for a pleasant surprise.

Inductive methods that work...

Higgins talks directly to the student. **Comp/Mods** really provides one-on-one instruction. Students are able to work through their particular writing difficulties. And the text gives them supportive feedback, every step of the way.

for advanced courses . . .

SYNTAX

BY PETER W. CULICOVER

This book serves as an introductory text to syntactic analysis and theory. It treats a number of the "core" phenomena of English syntax and uses them to illustrate the relationship between description and theory.

Topics covered include: the notational system and the implicit claims which it makes about what is possible in natural language; the inadequacy of phrase structure grammars for the description of natural language; selected fundamental aspects of English syntax such as

Affix Hopping, the passive construction, questions, and sentential complements; rule ordering; constraints on transformations; formal language learnability. Appended to each chapter are a number of exercises and problems to familiarize the student with the notation and terminology of the text and to direct the student to issues which go beyond the material presented in the text.

1976, 336 pp., \$12.50/£8.90

THE ORGANIZATION OF PHONOLOGY

BY STEPHEN R. ANDERSON

Ideal as a text for advanced students in the field, this book is a major restatement and comprehensive overview of phonological theory. The book consists of four parts: Part one deals with the nature of phonological and phonetic representations; Part two investigates the internal structure of linguistic rules through the problem of notational conventions and the in-

ternal ordering of subparts of a rule schema; Part three concerns the interaction of rules as formalized by ordering relationships and examines general principles for predicting these orderings; Part four discusses several speculative issues of particular current interest.

1974, 334 pp., \$18.75/£13.35

We know why you're loyal

Year after year thousands assign **THE PRACTICAL STYLIST**, and many of you have critiqued it for us. Baker has listened to your suggestions, added his matchless expository skill and flair, to make the fourth edition the most useful ever. There is a new chapter, "Description, Narration, and Process." (Yes, even Process can take The Argumentative Edge!) A new research paper, "America's Classics: When 1850 was Now." A brief but thorough Handbook. An Instructor's Manual.

And hundreds of subtle refinements which show only in the teaching.

The perfect companion to THE PRACTICAL STYLIST. Almost half of these essays are new. All are conveniently summarized in the Table of Contents. There is an expository probe and overview for each piece, and biographical/critical headnotes on each essayist. The third edition still aims for one practical point: How to write an essay.

THE ESSAYIST superbly reinforces the rhetorical concerns of **THE PRACTICAL STYLIST** as well as those of **THE COMPLETE STYLIST AND HANDBOOK**.

Who doesn't need a workbook? The revised **PROBLEMS IN EXPOSITION FOR THE PRACTICAL STYLIST** covers everything—finding a thesis, outlining, punctuation and grammar, spelling and capitalization, footnoting and bibliography. Hundreds of exercises, all very good, and all referenced by page to appropriate chapters in **THE PRACTICAL STYLIST**. Correction key available to adopters.

 If you wish to consider any of these for your course, please write on your letterhead to Cathleen E. Petree, Thomas Y. Crowell Company, 666 Fifth Avenue, New York, N.Y. 10019

ORDER WITH THIS COUPON AND SAVE 10%!

Freudianism A MARXIST CRITIQUE

by V. N. VOLOSINOV

translated by I. R. TITUNIK and edited in collaboration with NEAL H. BRUSS

Since its publication in 1927, this long-unobtainable book by a young and unorthodox Soviet Marxist, who presumably later disappeared in the Stalinist purges, has become something of an underground classic. Its fundamental analysis and critique of the entire Freudian doctrine, carried out from the standpoint of a Marxist "study of ideologies," anticipates many of the positions of modern Structuralism. Claiming that the Freudian unconscious is only an aspect of conscious

thought, the book views "inner" and "outer" speech as different forms of the same phenomenon—language—whose nature is basically social and historical. The book's insights—rich and suggestive even today—culminate in a view of human speech and language as providing the proper material and basis for a truly objective science of psychology. The book also includes Volosinov's essay "Discourse in Life and Discourse in Art."

Why interpret meaning in literature?

That's the first question answered by William C. Dowling in *The Critic's Hornbook: Reading for Interpretation*. Before Dowling and his reader are through with one another, the latter, who began with little more than enthusiasm, will be able to read competently and then write coherently about any poem, play, or novel.

What's new and good about Dowling's *Hornbook* is that it presents interpretive method in a simplified theoretical context, systematically working from fundamental principles of interpretation towards more general and sophisticated critical concepts. At the same time, Dowling is teaching a way of reading—a foundation upon which the student can operate confidently. The approach has been tested in freshman classes, originally at Harvard, and for a year at the University of New Mexico. The book is self contained, and full of examples. If you would like to consider *The Critic's Hornbook* for adoption, please write on your letterhead to Cathleen E. Petree, Thomas Y. Crowell Company, 666 Fifth Avenue, New York, New York 10019

A Major New Critical Study

THE LATER CANTOS OF EZRA POUND

by James J. Wilhelm

The Cantos of Ezra Pound are considered by many to be the single most important body of poems written in the twentieth century. "The nearest thing we have," wrote Archibald MacLeish, "to a moral history of our tragic age is *The Cantos* of Ezra Pound."

Despite the universal recognition of their importance, many of the Cantos remain enigmatic to scholars and lay readers alike. Their rich and often cryptic allusions, and their thematic complexity, make these poems difficult for all but the most erudite readers to fully comprehend.

It is just this requisite erudition that James J. Wilhelm brings to his study of Pound's Later Cantos. These poems, begun in the years following Pound's incarceration in an animal cage in Italy in 1945, are among the poet's greatest and most complex. In his book, Professor Wilhelm delineates Pound's major concerns, explaining his numerous references to the poetry of Dante; the thought of Confucius; Neoplatonism; John Adams, Thomas Jefferson, and other Founding Fathers; Medieval architecture; and the principles of economics exemplified in the Byzantium of the Middle Ages. Cogently and profoundly, he describes the thought that unified these varied interests and forged a vision of a new earthly Paradise.

James J. Wilhelm is professor of comparative literature at Rutgers University. His newest work, *The Later Cantos of Ezra Pound*, will be published in May. An invaluable contribution to Pound studies and to criticism of twentieth-century poetry, this lucid book, the first comprehensive and authoritative study of the Later Cantos, fills a major vacuum at a time when interest in Pound is fast mounting.

A Classical Lexicon for *Finnegans Wake*

A Glossary of the Greek and Latin in the Major Works of Joyce

Brendan O Hehir and John M. Dillion

This much-needed guide takes its place beside its earlier companion volumes: O Hehir's *A Gaelic Lexicon for Finnegans Wake* and Helmut Bonheim's *A Lexicon of the German in Finnegans Wake* (both published by California). It follows the same tri-columnar format, listing words and phrases to be glossed in the first column, in order of their occurrence in the text; the middle column rectifies the textural appearance into a normalized Latin or Greek spelling; and the third column provides the gloss in the form of a translation or explanatory note.

500 pages, \$22.50

The Origins of Evil in Hindu Mythology

Wendy Doniger

O'Flaherty

O'Flaherty marshals more than a thousand myths, many of which have escaped the notice of Indologists or have never been translated before; all are newly translated here and illuminated by mutual comparison—one myth explaining another—and through a hermeneutical approach that draws upon textural exegesis and a study of the ritual context of Indian religion.

424 pages, \$15.00

Américo Castro and the Meaning of Spanish Civilization

Edited by José Rubia Barcia

Throughout a long scholarly lifetime, Américo Castro (1885-1972) distinguished himself as one of the most sensitive interpreters of the Spanish spirit. This volume offers a systematic consideration of his thought. Among the essays included are Castro's own "The Meaning of Spanish Civilization"; Stephen Gilman, "Literature and Historical Insight"; and Antony van Beysterveldt, "A New Perspective of Cervantes' Work."

360 pages, \$14.50

Japan in the Muromachi Age

Edited by John Whitney Hall

and Toyoda Takeshi

These proceedings of the 1973 Conference on Japan reveal a new interpretation of the Muromachi Age (1334-1573). The literature, art forms, and esthetic principles of the era, as well as social and political practices gave rise to new patterns in a distinctly Japanese tradition.

Browning's Youth

John Maynard

This will stand as the definitive account of Robert Browning's development to maturity as a man and poet. Drawing on all available material, including new manuscript findings, John Maynard reconstructs the circumstances of Browning's youth. He traces Browning's early efforts to define his role as poet and gives particular attention to the powerful influence Shelley exerted on his early work. \$20.00

Sheridan and the Drama of Georgian England

John Loftis

John Loftis assesses Richard Brinsley Sheridan and establishes his place in the eighteenth-century theater. He marks Sheridan's debt to his Restoration predecessors, but demonstrates how thoroughly his work belongs to the eighteenth-century milieu. In discussing *The Rivals*, *The School for Scandal*, and other major works, he examines the strategy of literary burlesque that Sheridan employs with such audacity and continuing success. \$7.95

Bowker's Books on Books and Publishing

Now in paperback—

BOOK PUBLISHING

What It Is, What It Does

By John P. Dessauer

From reviews of the hardcover edition:

"Book publishing has long lacked a really good introductory manual, but now Dessauer has given us one. . . . Should stand for some time as the basic book in the field."—*Choice*

"The chapter on publishing finances. . . is unquestionably the best published description to date. . . . In choosing one book which best explains the structure and operation of the U.S. book publishing industry, one must now select the Dessauer title."—*The Journal of Academic Librarianship*

Outline of Contents: Preface. Introduction. The Past is Prologue. A Broad Perspective. How Books Are Created. How Books Are Manufactured. How Books Are Marketed. How Books Are Stored and Delivered. How Publishers Finance, Plan, and Manage. Epilogue: What Does the Future Hold? Glossary. Bibliographic Note. Index.

Paper: 0-8352-0953-9, Fall 1976,
xv + 231 pp., \$6.95

THE READER'S ADVISER

A Layman's Guide to Literature

Twelfth Edition

Volume One:

The Best in American and British Fiction, Poetry, Essays, Literary Biography, Bibliography, and Reference

Edited by Sarah L. Prakken

"A must for the book-minded reader."—*John Barkham Reviews*. "In chronological order from Anglo-Saxon times to Colin Wilson and Philip Roth, each author is characterized in pleasant biographical and critical notes, and his or her books are listed with publishing data . . . an incredible supply of carefully selected literary information."—*Saturday Review*

0-8352-0781-1, 1974, 808 pp., \$25.00

Volume Two:

The Best in American and British Drama and World Literature in English Translation

Edited by F. J. Sypher

Volume 2 is an annotated, topic-arranged guide to available books on American and British drama and foreign literature in translation. Experts prepared the individual chapters, providing new introductions, new biocritical sketches on the pertinent authors, and annotated listings of books by and about the authors. Pub date, publisher, and price are given for the books listed. Chapters covering the sweep of American and British drama, from earliest times to the present, have been updated as have those on major European and world literatures. But the greatest expansion has been in the volume's coverage of other European, Middle East, and Asian literatures. Countries like Estonia, Bulgaria, Latvia, Albania, the Ukraine, Armenia, and Turkey are being adequately represented for the first time.

0-8352-0852-4, January 1977, c. 775 pp.,
\$25

Volume Three:

The Best in the Reference Literature of the World

Edited by Jack A. Clarke,
University of Wisconsin, Madison

The final volume of the 12th edition of *The Reader's Adviser* is a thoroughly updated, expanded guide to the best of the available English-language books on a wide range of non-literary subjects. Covering general reference books and biography, Bibles, world religions, philosophy, psychology, the sciences, history, the lively arts, communications, folklore, humor, and travel, it lists the most important authors in each subject together with complete bibliographic listings of their works in print. While the emphasis is on recently published material, available reprints of standard works are included.

ANGLO-IRISH LITERATURE A REVIEW OF RESEARCH

edited by Richard J. Finneran

The concept of a viable tradition of Anglo-Irish literature is essentially a creation of the Revival period at the end of the nineteenth century, though the beginnings are evident some fifty years earlier. Developing out of that tradition—in different ways, of course—were some of the major writers of this century, as well as a great number of less familiar but nonetheless significant figures.

This volume provides essays on writers associated with the Anglo-Irish tradition who have been the subject of a substantial body of published research. There are also chapters on general works, the major authors before the Revival, and the Irish drama (the last of which includes brief comments on many of the minor or contemporary writers otherwise excluded).

A list of chapters and contributors follows: General Works (Richard M. Kain), Nineteenth-Century Writers (James F. Kilroy), Oscar Wilde (Ian Fletcher and John Stokes), George Moore (Helmut E. Gerber), Bernard Shaw (Stanley Weintraub), W. B. Yeats (Richard J. Finneran), J. M. Synge (Weldon Thornton), James Joyce (Thomas F. Staley), Four Revival Figures: Lady Gregory, A. E. (George W. Russell), Oliver St. John Gogarty, and James Stephens (James F. Carens), Sean O'Casey (David Krause), and the Modern Drama (Robert Hogan, Bonnie K. Scott, and Gordon Henderson).

Joseph Conrad

A Commemoration

NORMAN SHERRY, Univ. of Lancaster, ed.

This collection of papers by internationally known Conrad scholars were originally read at a 1974 Conrad conference held at Canterbury commemorating the 50th anniversary of his death. It gives an idea of the extraordinary range of concerns and themes taken up by the convention speakers: the influence of Conrad's work upon specific writers and upon literary and philosophical movements; Conrad's political viewpoint and his concept of society; Conrad as rhetorician, and the plurality of viewpoints within his novels.

Spring 1977. 190 pages.

\$17.50

A Fever at the Core

The Idealist in Politics

JEFFREY MEYERS

A certain type of man exists who is more tragic than Hamlet, and less effectual than Don Quixote. Jeffrey Meyers explores this species, to which Wilfred Blunt, Robert Graham, Roger Casement, T. E. Lawrence, Gabriele D'Annunzio and Andre Malraux all belonged: the artist intellectual who flings himself into the political arena but fails because he has left unresolved the Byronic conflict between egotism and idealism.

Fall 1976

\$13.50

Ben Jonson

Public Poet and Private Man

GEORGE PARFITT, Univ. of Nottingham

This fresh and original appraisal discusses particular elements of Jonson: his personality and reputation; his use of language and of classical sources; his views on society and his own role in it, and his theatricality in the context of his total output.

Spring 1977. 250 pages.

\$17.50

On Directing Shakespeare

Interview with Contemporary Directors

RALPH BERRY, Univ. of Manitoba

Seven directors, all at the head of their profession, discuss in extended interviews how to direct Shakespeare in contemporary productions. The directors include Peter Brooks, who directed the controversial staging of *A Midsummer Night's Dream*; Jonathan Miller, Trevor Nunn, Michael Kann, and others.

Spring 1977. 224 pages.

\$15.00

Sensibility and Creation

Studies in Twentieth-Century French Poetry

ROGER CARDINAL, Univ. of Kent, ed.

A gathering of a dozen critical studies of the major French poets of this century. The analyses focus on the major sensibility which informs each poet's work; i.e., the way he selects and patterns the elements of his poetry. Poets of long-established reputation—such as Paul Valery, Pierre Reverdy, and Saint-John Perse—are included, as well as contemporary poets Yves Bonnefoy and Jacques Dupin.

Spring 1977. 290 pages.

\$17.50

Critical Perspectives on the Decameron

ROBERT S. DOMBROSKI, Univ. of Connecticut, ed.

This comprehensive selection of critical essays dealing with the *Decameron* provides a major reassessment of the lasting importance of Boccaccio's classic. Such a collection has never before been attempted in English, and no previous study in translation offers the range of authoritative critical comment contained in this volume.

Spring 1977. 148 pages. Bibl.

\$13.50

Jane Austen's Achievement

Papers Delivered at the Jane Austen Bicentennial Conference at the University of Alberta

JULIET McMASTER, ed.

These Austen bicentennial essays provide a wide range of views of Jane Austen as intellectual, woman and artist. The contributors are well known either as Austen scholars, or as critics of the novel or period. Though written separately, the essays touch on each other at many points, and all share an exact focus on period and locale.

Spring 1977. 139 pages.

The Poems of the Troubadour Peire Rogier

DEREK E. T. NICHOLSON, ed.

The first English-language edition since 1882 of the poems of 12th-century troubadour Peire Rogier provides an excellent example of poetry during the Golden Age of Provençal. Only eight poems remain of Rogier's work, including one of doubtful authenticity, and in these poems we see evidence of the clarity and naturalness which sets them apart from the artifice-laden work of later troubadours.

Fall 1976. 176 pages.

**THE USE OF MANUSCRIPTS
IN LITERARY RESEARCH**
**Problems of Access and Literary
Property Rights**

BY JAMES THORPE

At long last a publication that saves the inexperienced student or scholar from the confusions and uncertainties in the use of literary manuscripts. Since libraries and private collections rightfully safeguard manuscripts from irresponsible use and because manuscripts have certain legal protection, scholars are often frustrated in the freedom they need and baffled in how to go about getting it.

In this informative and lively pamphlet, Dr. Thorpe, with his many years as a library director, has condensed a vast amount of information gathered from experienced scholars and heads of libraries throughout the world. He gives sage advice on how to locate manuscripts, how to use libraries and private collections, and how to carry on research at a distance. The many varieties of situations in gaining access to manuscripts such as admittance, regulations governing use, the making of photocopies, and permissions to publish are all clearly explained. The scholar will acquire all the basic facts of literary property rights he needs with an abundance of examples.

As a by-product of this publication, Dr. Thorpe hopes that some out-moded practices will be altered. Changes are due, and the pamphlet is replete with suggestions and salient reflections.

GEORGE SAND AND THE VICTORIANS **PATRICIA THOMSON**

In this book, for the first time, the impact of George Sand on Victorian England and her influence upon major and minor nineteenth-century writers are fully assessed. Dr. Thomson maintains that "George Sandism" was an important Victorian phenomenon and must be taken into account in any discussion of the age.

\$17.50

SAMUEL PEPYS' PENNY MERRIMENTS **ROGER THOMPSON, Editor**

This charming selection from three volumes of chapbooks belonging to Samuel Pepys tells us much about popular taste of the period as well as of the famous diarist to whom they belonged. The brief extracts included here, beautifully illustrated with thirty original woodcuts, are compiled under such headings as histories, magic, courtship, social comment, and jokes and jests.

cloth, \$15.00; paper, \$5.95

MODERN HUNGARIAN POETRY **MIKLÓS VAJDA, Editor**

With a Foreword by William Jay Smith

The most comprehensive collection of modern Hungarian poetry available in English, this unique anthology consists of poems by forty-one contemporary Hungarian poets living and writing in the postwar years. Following rough translations from the Hungarian, the poems have been put into final poetic form by major American and British poets.

\$11.95

THE BOOM IN SPANISH AMERICAN LITERATURE **A Personal History**

JOSÉ DONOSO

Translated by Gregory Kolovakos

The recent Boom in Latin American letters has brought to the forefront such outstanding writers as Gabriel Garcia Márquez, Julio Cortázar, Octavio Paz, Mario Vargas Llosa, and Jorge Luis Borges. This fascinating commentary by Chilean novelist José Donoso tells how the Boom actually came to be and provides glimpses into the literary lives of many of the era's most celebrated authors.

What's New in Literature?

Shaw
**Literature:
A College Anthology**
Patrick W. Shaw
Texas Tech University

1,280 pages / Instructor's Manual
Just published

Shaw thinks a good introductory literature anthology shouldn't overwhelm students with explanations and editorial paraphernalia. So he offers a rich selection of short stories, novellas, plays, and poems, keeping biographical headnotes, footnotes, and factual discussion questions to an essential minimum. Instructors are free to develop their own approaches. And students are introduced to literary fundamentals in the works of established authors.

Dubé/Franson/Murphy/Parins
**Structure and Meaning:
An Introduction to Literature**
Anthony Dubé
University of Arkansas
John K. Franson
University of Maine
Russell B. Murphy
University of Arkansas
James W. Parins
University of Arkansas

1,200 pages / Instructor's Manual
1976

A carefully organized, systematic approach to the study of fiction, poetry, and drama. Selections, study questions, and writing topics progress gradually from the least difficult to the more complex.

McNulty
Modes of Literature
J. Bard McNulty
Trinity College, Hartford

672 pages / Instructor's Manual
Just published

McNulty gives students critical tools and a sampler of literature against which those critical concepts are tested. His *Modes of Literature* samples stories, plays, and poems along with critical analysis and organizes them within a framework of narrative patterns and controlling images. Where appropriate, he matches these literary elements to similar patterns in popular literature, film, and television. Art portfolios relate literature to the visual arts of different eras. And a cross-index provides a quick comparison of the themes, images, characters, and patterns in works produced during various historical periods. McNulty—a comprehensive, unified approach to literature.

Ferguson
Images of Women in Literature

Second Edition
Edited by Mary Anne Ferguson
University of Massachusetts

500 pages / paper / Just published

Submissive wife, mother, bitch, seductress, prey, old maid, liberated woman. These, in various genres, are the images of women presented in Mary Anne Ferguson's anthology of American and European literature. Current issues in *Images of Women in Literature* provide starting points for discussion and writing in first-year literature and composition courses. Headnotes, illustrations, and suggestions for further readings are also included. The Second Edition contains additional poetry and drama, and reviews current trends in viewing literature from the feminist perspective.

Johnson/Sickles/Sayers/Horovitz
**Anthology of Children's
Literature**

Fifth Edition
Edna Johnson
Evelyn R. Sickles
Frances Clarke Sayers
Carolyn Horovitz
University of California, Los Angeles

1,140 pages / Just published

Anthology of Children's Literature, Fifth Edition contains selections of consistently high caliber—from Newbery Award-winning prose to new poetry selected with the assistance of Myra Cohn Livingston. The Fifth Edition emphasizes art—a key element in children's literature—with a history of illustrated books, a section on picture books, and an analytic approach to picture book art.

The Fifth Edition, reorganized and redesigned, makes an already successful text in children's literature even better.

For adoption consideration, request examination copies from your regional Houghton Mifflin office.

Writing 1 - 2 - 3

Klarner/Williams/Harp

Writing by Design

Walter E. Klarner

James M. Williams

Harold L. Harp, all of

Johnson County Community College

288 pages / Instructor's Manual

Just published

The step-by-step approach in *Writing by Design* is based on Christensen's principles of generative grammar. Klarner, Williams, and Harp arrange their text from the smallest to the largest units—from sentence, to paragraph, to essay. Writing exercises move in a similar pattern. They draw first on students' subjective experiences and progress toward objective prose assignments.

Chapter overviews, objectives, self-tests, and exercises lend *Writing by Design* to individualized self-directed study. The text can also be combined with a more traditional lecture-text approach.

Wiener/Bazerman

English Skills Handbook: Reading and Writing

Harvey Wiener

The Pennsylvania State University

Charles Bazerman, Baruch College

352 pages / paper

Instructor's Manual / Just published

Wiener and Bazerman recognize the need for a developmental approach to both reading and writing. So they present in their handbook a basic reading skills section to reinforce vocabulary development, dictionary use, and

comprehension skills. They also concentrate on basic rules of writing with applications in practice exercises. *English Skills Handbook: Reading and Writing* is particularly suited to a developmental reading and writing program; the language is clear and understandable, and concepts are presented in simplified chart form to aid self-instruction.

Wilcox

Communication at Work: Writing and Speaking

Roger Wilcox, General Motors Institute

448 pages / Just published

Roger Wilcox concentrates on response-oriented writing for a specific job or purpose rather than theme-oriented, classroom writing. The succinct presentation of topics such as effective communication, persuasion, and oral communication makes this text appropriate for both English and Business curricula.

For adoption consideration, request examination copies from your regional Houghton Mifflin office.

Victorian Prose: A Guide to Research

Edited by David J. DeLaura

University of Pennsylvania

In the revival of serious interest in all things Victorian in the past two decades, the high artistry of the great nineteenth-century prose "sages" has been thoroughly established. The Victorian prose prophets, despite their very different individual points of view, turned their attention to a set of problems that have continued to absorb all serious modern readers—problems as pressing as pollution, the condition of the worker in the modern industrial process, and the role of an educated elite in a democratic society. The central role of these Victorian sages in establishing a continuing "humanistic" attitude in modern life—conservative in its concern for preserving the best values of the older culture, yet aware of the need for new and even radical solutions to the "human problem" in a new society—has been thoroughly demonstrated in recent years.

This volume advances our understanding of this highly significant and talented body of work, first by summarizing and criticizing modern studies in the field, and second by suggesting neglected aspects of thought and artistry worthy of the attention of future scholars and critics. Thirteen scholars, many of them well-known experts in Victorian studies, have here synthesized, criticized, and extended our understanding of this large and continually relevant body of work. Individual chapters are devoted to the major figures: Carlyle, Macaulay, Newman, Mill, Ruskin, Arnold, and Pater. Four omnibus chapters bring together a wide range of further topics: the Critics, the Unbelievers, the Oxford Movement, and Victorian Religion.

This volume will prove indispensable to all serious students of the literature, history, and culture of nineteenth-century England.

T. S. Eliot's Personal Waste Land

Exorcism of the Demons

James E. Miller, Jr.

"James E. Miller, Jr. has accomplished the seemingly impossible — given a radically new reading of *The Waste Land*. The hitherto well-kept secret of Eliot's friendship with Jean Verdenal, the effect of this friendship and of Verdenal's death [at Gallipoli] upon Eliot's attitude to women, its almost disastrous effect on his creativity, the references to Verdenal in *The Waste Land* and *Four Quartets*, are here explored for the first time. We may take exception to some of Miller's interpretations, but his facts are incontrovertible. There can be no doubt that *The Waste Land* is, above all, a personal utterance, as Eliot said it was and Miller shows. Any serious study of this most famous poem, from this time on, will have to take into account *T. S. Eliot's Personal Waste Land*."

LOUIS SIMPSON

"Any book that honestly attempts to reveal a coherence in Eliot's *Waste Land* is to be applauded. Basing his findings on the original text, Mr. Miller presents a firm thesis, which will be widely discussed. Whatever be the exact truth, Eliot comes out of it well. In place of a bland know-all throwing off enigmas to baffle ardent disciples, we are invited to watch a tormented soul striving through great poetry towards spiritual self-mastery."

Aubrey Beardsley

Imp of the Perverse

Stanley Weintraub

In a front-page review in the *New York Times Book Review* in 1967, art critic John Russell wrote of *Beardsley* that "as a biography—a life's story" the book "needs no successor." *Aubrey Beardsley: Imp of the Perverse* began as an updating of the original biography but new material at hand and the need to reinterpret Beardsley from the perspective of augmented life-records made a mere updating impractical, especially since the climate for publishing has become far more receptive to truth in biography, however explicit.

An Acclaimed, Successful Themewriting Text Has Been Revised, Expanded, and Improved. The Way You Wanted It. Because At Prentice-Hall, We Listen.

WRITING THEMES ABOUT LITERATURE, 4th Edition

Edgar V. Roberts – Herbert H. Lehman College, City University of New York
(with more than a little bit of help from his friends in the field)

This major revision of the leading guide to writing themes about literature has been based, in significant measure, on feedback from a great many users of the text.

The result? An already effective approach to the subject has been made even more so — an even greater aid to both instructor and student in any course concerned with writing about literature.

Progressing from the simplest to the most difficult literary concepts, this one- or two-semester text now offers greater flexibility and balance in combining discussion and illustrative themes covering stories, novels, drama, poetry, and non-fiction.

What's New...

- Entire chapter on the précis
- The number of sample themes greatly increased
- Commentaries accompanying each theme
- Discussion of literary genres
- Special report covering non-fiction scientific prose
- New material on the extended comparison and contrast theme
- Section on humor and irony

And Revised...

- Greater emphasis on non-fictional prose
- Thorough re-writing of many chapters, including sample themes
- Increased detail on symbolism
- Chapter on Prosody completely revised to strengthen relationship to words and ideas
- Approach to prose style rearranged and clarified
- Notes on documentation now include more information on footnoting and reference

In addition, the companion Teacher's Manual, also available, has been updated to keep pace and to anticipate and forestall problems that students may encounter in writing themes described in the text.

1977 320 pp. (est.) Paper \$4.95

The English Romantic Poets

A Review of Research and Criticism

THIRD EDITION

Edited by Frank Jordan, Jr.

Miami University

This third edition of *The English Romantic Poets: A Review of Research and Criticism* brings up to date the survey made originally in 1950 and revised in 1956 by T. M. Raysor and other eminent Romantic scholars under the sponsorship of the English 9 Group of the MLA. The revised chapters record and describe the books and articles published since the second edition, and reflect the new perspectives on Romanticism especially and on literary studies generally that have developed in the past decade and a half.

The contents include:

The Romantic Movement—FRANK JORDAN, JR. (*original chapter by Ernest Bernbaum*)

Wordsworth—Ford T. Swetnam, Jr. (Ernest Bernbaum and James V. Logan, Jr.)

Coleridge—MAX F. SCHULZ and RENÉ WELLEK (T. M. Raysor)

Byron—ERNEST J. LOVELL, JR. (Samuel C. Chew)

Shelley—DONALD H. REIMAN (Bennett Weaver)

Keats—DAVID PERKINS (Clarence D. Thorpe)

PROSPECTS FOR THE 70'S: ENGLISH DEPARTMENTS AND MULTIDISCIPLINARY STUDY

Edited by Harry Finestone
and Michael F. Shugrue

The editors have brought together in one volume this controversial series of papers from the Interdisciplinary Conferences held by the Association of Departments of English. These provocative papers provide a stimulus for the involvement of English departments in interdisciplinary work. The English departments, it is suggested, need to flow with the social currents of the academic community. The papers discuss frankly the difficulties surrounding the introduction of interdisciplinary courses and programs that make special demands on the time and energy of individual faculty members and on limited departmental resources. The papers outline model programs that have been established and they suggest administrative strategies for experimenting with interdisciplinary study. Discussions range from "The American Scholar Reconsidered" to the methodology of "Teaching and Revolution." The collection argues for a new consciousness in the English departments and a redefining of objectives.

Prospects for the 70's will no doubt stimulate debate among all who read it.

Announcing a new journal

Journal of Pragmatics

An Interdisciplinary Quarterly of Language Studies

Editors: JACOB L. MEY, Odense University, and HARTMUT HABERLAND, Roskilde University Center.

Review Editor: FERENC KIEFER, Hungarian Academy of Sciences

Board of Advisory Editors: J. Allwood, P.B. Andersen, T. Andersen, R. Bartsch, R.M. Blakar, S. Dik, N. Dittmar, G. Drachman, W.U. Dressler, K. Ebert, V. Ehrich, P. Eisenberg, C. Fillmore, D. Franck, T. Givón, K. Gloy, N. Goldman, F. Gregersen, D.G. Hays, M.A.K. Halliday, R. Hasan, G. Hubers, D. Hymes, A. Kashner, G. Lakoff, A. Malikouti-Drachman, C. Montgomery, U. Quasthoff, R. Schank, K. Sornig, T. Suzuki, M.J. White, Y. Wilks, D. Wunderlich.

In recent years, linguists and workers in neighboring disciplines have developed an increasing interest in human linguistic activity (as opposed to the description of language systems). This interest has especially focused on the social aspects of the 'use' of language (sociolinguistics, language acquisition, teaching of foreign languages, "language in context", theory of speech acts as a part of a general theory of social action, etc.) This interest is a clear consequence of the growing insight that every human *activity* (including linguistic activity) is *social* in nature.

The need for a theory of language use has been manifest for some time. *Pragmatics*, as a theoretical discipline, has formulated many questions in the area of the theoretical foundations of linguistics, that will help to clarify our understanding and increase our knowledge of language as one of man's tools for 'natural' as well as 'societal' interaction.

The **Journal of Pragmatics** is the first journal to aim at creating a theoretical foundation of pragmatic studies of language, and will cover all aspects involved. It will attempt to bridge the gap between the developing fields of sociolinguistics, psycholinguistics, man-machine interaction, applied linguistics, and several other areas.

ENGLISH: THE PRE-PROFESSIONAL MAJOR

Second Edition

By Linwood E. Orange

This booklet is an excellent counseling guide for undergraduate English majors who might want to—or need to—consider employment in fields other than education. Orange provides documentary evidence that training in English and literature at the college level is invaluable in preparation for futures in four outstanding professional areas: law, medicine, business, and federal service. Sample job descriptions are included.

New Books from St. Martin's

CRITICS ON CARIBBEAN LITERATURE

Readings in Literary Criticism

Edward Baugh, *editor*

This unique anthology brings together major pieces of criticism on the literature of the English-speaking Caribbean. There is no other study of this kind. The focus is on selections of substantial and comparatively detailed critical analysis.

February 1977 136 pages \$13.95, cloth

THE DICKENS MYTH

Its Genesis and Structure

Geoffrey Thurley

Dr. Thurley explores Dickens' development as an artist, arguing that he is supreme among nineteenth-century novelists by virtue of the power and intensity of his imagination and his ability to transmit the real pressures of his time through the symbols of his art.

Published 1976 380 pages \$16.95, cloth

CULTURE AND THE NIGERIAN NOVEL

Oladele Taiwo

This is the first book to be devoted wholly to the criticism of Nigerian fiction. The author studies over twenty-six novels in detail, and assesses the attitude of each novelist toward the indigenous culture of his country.

Published 1976 256 pages \$15.95, cloth

INTRODUCTION TO SYSTEMIC LINGUISTICS

Volume II: Levels and Links

Margaret Berry

Whereas Volume I dealt with structure and system, this volume covers levels of language other than grammar, discussing both the relationships which exist between the categories within grammar and those which lie between grammar and other levels.

March 1977 200 pages \$12.95, cloth

THE ENGLISH TONE OF VOICE

Essays in Intonation, Prosody, and Paralanguage

David Crystal

The essays collected in this important new book represent a major authoritative contribution to the investigation of non-segmental phonology—the study of intonation and associated features of spoken language.

Published 1976 200 pages, illustrated
\$16.95, cloth

A CRITICAL SURVEY OF SOCIOLINGUISTICS

Theory and Application

Norbert Dittmar

This study offers a comprehensive survey of all aspects of the field of sociolinguistics. Dittmar discusses questions of methods, theory, and application, and examines the implications of sociolinguistic research for educational and social policies.

February 1977 320 pages \$19.95, cloth

OUT OF THE MAELSTROM

Psychology and the Modern Novel

Keith M. May

In this fascinating study Dr. May examines the cross-fertilization between the psychological theories (of, among others, Freud, Jung, and Laing) and the intuitive findings of some of the major European and American novelists—among them James, Kafka, Mann, Lawrence, Hemingway, Mailer, and Bellows.

The Muses' Concord

Literature, Music,
and the Visual Arts
in the Baroque Age

By H. James Jensen

The author illuminates seventeenth and early eighteenth century English literature by ranging widely through the arts of the Baroque age in England, France, and Italy, taking into account painting, music, and ideas, as well as literature. 320 pages \$12.95

Roman Jakobson's Approach to Language

Phenomenological
Structuralism

By Elmar Holenstein

Translated by Catherine and Tarcisius Schelbert

A comprehensive treatment of the influential interdisciplinary movement associated with the Prague Linguistic Circle, called here phenomenological structuralism, which transcends the boundaries of linguistics and even of philosophy to speak to scholars in many disciplines. 256 pages \$12.50

Shakespeare on Film

By Jack J. Jorgens

A stimulating approach to Shakespeare's plays which considers the aesthetics of rendering them in cinematic form. Discusses Shakespearean films over the past half century, including those by Olivier, Welles, Kurosawa, Polanski, Brook, and Kozintsev. 352 pages \$15.00

A Decade of Euphoria

Western Literature
in Post-Stalin Russia,
1954-64

By Maurice Friedberg

This book, an important reference work, discusses the publication, dissemination, censorship, and official reception of the entire corpus of Western writing in post-Stalin Russia, especially in the eventful decade after Stalin's death. 448 pages \$17.50

Imagining

A Phenomenological
Study

By Edward S. Casey

In the first full-length phenomenological study of imagination since 1940, Professor Casey provides a fresh and subtle firsthand account of the lived character of imaginative experience which will interest literary critics and theorists of the arts. 288 pages \$12.50

UNIVERSITY OF CHICAGO SPANISH DICTIONARY

Spanish/English English/Spanish

CARLOS CASTILLO AND
OTTO F. BOND

Third Edition
*Revised and Enlarged by
D. Lincoln Canfield*

For this revised and enlarged Third Edition of the most popular Spanish dictionary ever sold, Canfield has made a number of improvements that will be welcomed by teachers, students, and travelers:

- An entirely new list of 1,000 Spanish idiomatic sayings with dialectical variants and English equivalents—with an English index.
- More than 1,000 new Spanish entries and some 500 new entries in the English-Spanish section.
- Syllabification of all entries in both parts.
- A new phonetic transcription of Spanish entries.

STUDENT'S GUIDE FOR WRITING COLLEGE PAPERS

Third Edition, Revised and Expanded

KATE L. TURABIAN

The Third edition of Kate L. Turabian's *STUDENT'S GUIDE FOR WRITING COLLEGE PAPERS* is a revised and expanded version of her highly acclaimed and widely used reference work . . . In particular, the sixth chapter, "Some Matters of Style," has been extensively revised, and the list of Reference Works, useful to students, has been recompiled and greatly expanded. Students and teachers will appreciate a new system of numbering each paragraph which facilitates locating any desired item through the Index or cross-references in the text. Designed for high school, junior college, or college students faced with writing their first long, documented paper, it offers step-by-step directions that cover everything from choosing a topic to drafting the final paper.

CHAUCER

Sources and Backgrounds

Edited by **Robert P. Miller**, Queens College, City University of New York. This anthology brings together selections from a large number of writers regarded by Chaucer and his contemporaries as authorities in matters ranging from reading to romantic love, chivalric ideals to antifeminist charges, marriage to human destiny. It provides the modern student of medieval literature with the actual texts and ceremonies which defined conventional medieval beliefs and attitudes concerning subjects which were of special interest to Chaucer. A number of these selections appear in English for the first time. Brief headnotes introduce each author and indicate the particular importance of his text.

April 1977 500 pp.; 17 illus. cloth \$15.00 paper \$7.00

SHAKESPEARE'S ENGLISH KINGS

History, Chronicle, and Drama

Peter Saccio, Dartmouth College. This rich and informative introduction to the political struggles of medieval English monarchical history acts as a guide to the Richards, Edwards, and Henrys, the Warwicks, Norfolks and Northumberlands that parade across the page and stage of Shakespeare's history plays. It will be of great value to scholars, students, serious readers, and playgoers who wish to fully enjoy and understand this important body of Shakespearean drama.

Spring 1977 272 pp.; illus. cloth \$13.95 paper \$2.95

HOW TO READ A FILM

The Art, Technology, Language, History, and Theory of Film and Television

James Monaco, The New School for Social Research. Designed for introductory film courses, this text provides a comprehensive and thorough treatment of the important issues in contemporary film study, from technology and the language of film, to History and Criticism. It gives full attention to film theory — including discussions on Eisenstein, Bazin, and Semiotics — and shows the interrelationship of film and the older arts, introducing basic concepts in electronic media as well. A complete Glossary of film and media terms and an extensive annotated bibliography are included.
