

Dilemmas of Reconciliation Cases and Concepts

Carol A.L. Prager and Trudy Govier, editors

Paper \$34.95 • 0-88920-415-2

Can enemies who have inflicted unspeakable acts of cruelty on each other live together in peace? This book explores the possibility of forgiveness.

"A brilliant mix of theoretical analysis and empirical case studies that brings out clearly and concisely the political, legal, economic, and psycho-social dimensions of post-conflict reconciliation."

– Howard Adelman, York University

War and International Justice A Kantian Perspective

Brian Orend

Paper \$32.95 • 0-88920-360-1

"There is much here that is relevant to our present world, and Professor Orend's contribution is that he wades into the present issues without fear or favour. Regrettably, his book will not likely be read by policymakers; but it should be."

– J. L. Granatstein,
Canadian Book Review Annual

Early Modern Concepts for a Late Modern World Althusius on Community and Federalism

Thomas O. Hueglin

Cloth \$39.95 • 0-88920-322-9

"This is a critically important, scholarly and exceptionally well presented contribution to the study of federalism, political democracy, and the history of western government."

JOURNAL OF CHURCH AND STATE

"The *Journal of Church and State* constitutes abundant evidence of the high quality research and scholarship done at the nation's oldest and premier center of church-state studies...Baylor University."

- Robert P. Drinan, S.J.

Journal of Church and State, published quarterly by the J. M. Dawson Institute of Church-State Studies, Baylor University, remains the only scholarly journal devoted exclusively to the concerns of church and state and religious liberty. *JCS*, published since 1959, continues to appeal to a widely diverse readership throughout the world.

Each issue of *JCS* includes:

- Six or more major articles
- A timely editorial
- Approximately thirty book reviews on church and state and related themes
- Notes on current U.S. and international developments
- Listing of recent doctoral dissertations in church and state
- When appropriate, texts of important court cases, government legislation, or ecclesiastical documents
- Calendar of upcoming conferences on church and state

Reconfiguring American Political History

The Price of Progress

Public Services, Taxation, and the
American Corporate State,
1877 to 1929

R. Rudy Higgens-Evenson

"Higgens-Evenson has chosen an excellent, neglected topic—the rise of modern taxation in the late-nineteenth and early-twentieth century United States—and used it to address a critical subject of widespread interest among historians and political scientists—the rise of the activist, modern state. He offers a clearly written and well-researched explanation of the rise of a tax system favorable to corporations in terms of the unintended consequences of states' attempts to deal with the demands for new social services."—Michael McGerr, Indiana University, author of *The Decline of Popular Politics: The American North, 1865–1928*
\$39.95 hardcover

Beyond Party

Cultures of Antipartisanship
in Northern Politics before
the Civil War

Mark Voss-Hubbard

"A shrewd interpretation of the Know Nothings and the world they tried to win. Voss-Hubbard speaks across disciplinary lines to all students of parties and antiparties in the nineteenth century."—Michael Kazin, Georgetown University

"An outstanding contribution to the literature of nineteenth-century American politics. Through his careful analysis of the Know Nothing party, Voss-Hubbard offers fascinating insights that extend our knowledge of political culture before the Civil War."

—Jean H. Baker, Goucher College

\$45.00 hardcover

Red Feminism

American Communism and the Making of
Women's Liberation

Kate Weigand

"The gulf between first- and second-wave feminism seems less broad thanks to this thoughtful analysis of women's activism with the Communist Party U.S.A. between World War II and the mid-1950s . . . An important supplement to standard histories of American feminism."—*Booklist*

ARISTOTLE AND MODERN POLITICS

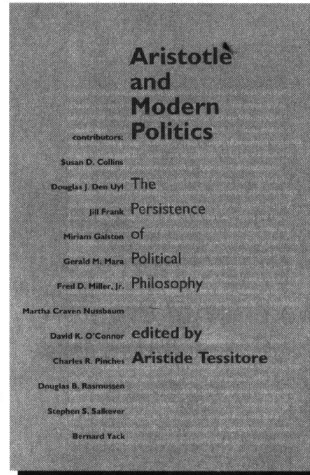

The Persistence of Political Philosophy

Edited by Aristide Tessitore

“ . . . thoroughly researched, well grounded in contemporary literature as well as in Aristotle, and highly readable. The authors show a rare ability to bring out the best in those whom they study . . . highly recommended.”

—*Choice*

Despite the separation between classical and modern theories of government, contributors to *Aristotle and Modern Politics* find Aristotle a useful interlocutor for assessing both possibilities and limitations in contemporary politics. In this collection, noted political scientists, theologians, and philosophers discuss the magnitude of Aristotle’s presence in contemporary debate and demonstrate some of the ways in which Aristotle sheds new light on contemporary problems.

New in Politics

Abraham Lincoln's Political Faith

Joseph R. Fornieri

"One of the best overviews for understanding Lincoln's politics."

—Allen C. Guelzo, author of *Abraham Lincoln: Redeemer President*

- How are we to understand the invocations of divine authority in Lincoln's speeches and writings? Fornieri shows that Lincoln envisioned a political order founded upon American religious traditions and democratic principles.

224 pp. 0-87580-315-6 cloth \$38.00

Lincoln, Religion, and Romantic Cultural Politics

Stewart Winger

"An original challenge to reigning views."

—Mark E. Neely, Jr., author of *The Fate of Liberty*

- Exploring the relationship between Lincoln's religious language and antebellum political culture, Winger reveals that his greatest speeches articulate a romantic Protestant vision of American identity and destiny.

279 pp. 0-87580-300-8 cloth \$38.00

The Sweetness of Power

Machiavelli's *Discourses* and Guicciardini's *Considerations*

Translated by James B. Atkinson and David Sices

"Far surpassing all English editions."

—Maurizio Viroli, Princeton University

- The question of order inspired the two greatest political thinkers of the Italian Renaissance—Niccolò Machiavelli and Francesco Guicciardini—whose key writings on government are linked in this authoritative and accessible new translation.

504 pp. 0-87580-288-5 cloth \$55.00
