Ridge's Food is used with greater success than any other article of the kind, because it contains all the elements of growth and repair. More children have been saved and successfully reared upon Ridge's Food than upon all the other foods combined.

It is the best daily diet for children. Two teaspoonfuls will thicken half a pint of milk and water, making a substantial meal for a growing child.

Dr. Barker, of the Brighton Hospital for children (Eng.), says it resembles mothers' milk so closely that infants are reared, and *well* reared, exclusively upon it.

RIDGE'S FOOD is the most reliable food in the world; it produces bone, muscle, brain, teeth, etc., and in every way preserves and develops the growing child.

It is the best food in the world for invalids, and readily taken by the little folks.

If you are suffering from indigestion or a weak stomach, use Ridge's Food. It can be used with or without milk. Delicate mothers will find Ridge's food just what they need. It gives health and strength.

Sold by Druggists everywhere, and by many Grocers. 4 sizes, retailing $.35, $.65, $1.25 and $1.75.

Mothers and nurses, send for a pamphlet on Ridge's Food, giving your address in full, to WOOLRICH & CO., Palmer, Mass.

FOR TABLE USE.

RIDGE'S FOOD is unsurpassed for Puddings, Custards, etc., and is commended by all who have used it, being easily and quickly prepared. As a table luxury there is nothing superior to Ridge's Food Blanc Mange.

It is the Most Delicious Article for the table. Prepared in a few minutes, with or without milk. It is nourishing and satisfying. The cheapest article of the kind on the Market.

Recipes for Blanc Mange, Puddings, Custards, etc., accompany each can. WOOLRICH & CO. on every label.
