North American Library Education

DIRECTORY & STATISTICS
1969-1971

new...updated...expanded...

Recent changes in the field of Library Education demanded the preparation of fresh reference material. The new *North American Library Education Directory & Statistics, 1969-1971* therefore replaces the 1966-68 edition of the same title.

Scholarly preparation of the survey instrument, tabulation of data, writing of interpretative chapters, and editing the publication were all accomplished with extreme detail.

This book is of value to librarians, educators and students of library science.
