### Library Materials Studies Sought

The Library Materials Price Index Committee of the ALA RTSD Resources Section is interested in obtaining copies of local library materials price and cost studies prepared by colleges and universities; public; special; and governmental libraries. The committee will serve as a clearinghouse for local price surveys. Please send copies to: Fred Lynden, Chairman, Library Materials Price Index Committee, Acquisitions Department, Stanford University Libraries, Stanford, CA 94305.

Please indicate if the institution's name should be withheld in any dissemination of cost-study information.

### Reference Statistics Forms Requested

To further its efforts toward developing a national consensus on methods of collecting and reporting reference/information service activities, the ALA/LAD/LOMS Committee on Reference Statistics requests that libraries of every type and size send samples of their forms used for recording and summarizing reference statistics. Instructions and definitions required for their use, as well as comments as to the uses made of collected statistics and question forms will be appreciated. Please send to Marcella Ciucki, Chief of Reference Services, Lake County Public Library, 1919 West Lincoln Highway, Merrillville, IN 46410.

This catalog is available on request in paper or microfiche!  
Indicate your preference.
