# To Stay Ahead in Science and Technology... You Need Bowker's A&I Journals.

## Comprehensive, Worldwide Coverage of Today's Crucial SciTech Issues!

In today's world, up-to-date and accurate information on science and technology is vital. Each week, hundreds of science and technology periodicals publish thousands of important articles that can make a significant difference in your work.

Where can you turn for help in finding that information? *Bowker's A&I Journals!* Offering easy access to current developments in robotics, artificial intelligence, and CAD/CAM, as well as coverage of a multitude of topics related to the environment, energy, and acid rain, *Bowker's A&I Journals* provide incisive abstracts drawn from the scientific and technical literature published world-wide. These abstract journals will make research faster and easier and help you do your job better.

## Reference Resources for Everyone

Whether your patrons are scientists engaged in research, business people who depend on closely monitored news, public officials involved in policy formulation, or members of the public looking for the hard facts, *Bowker's A&I* monthly\* Journals provide information on everything from renewable resources to robotic locomotion to waste management, as well as thousands of other topics.

## Convenient and Easy-to-Use

Compiled by specialists in their fields, each Journal's abstracts provide an accurate, comprehensive 100-word summary of each entry, plus all the bibliographic information needed for further research. With its vast array of current literature, the *A&I Journals* free you from time-consuming information searches by allowing patrons to work independently with research sources screened and compiled in one place.

## In-Depth Coverage

Indexing over 1,800 scientific, technical, academic, and related journals published in over 50 countries, *Bowker's A&I Journals* also provide access to a wide range of conference proceedings, government studies, patent publications, and other significant, hard-to-find materials.

## Reference Resources for Every Library

*Bowker's A&I Journals* are the perfect tool for collection development, keeping you alerted to the latest scientific trends. And, since you can order full-text microfiche of over 80% of our cited articles, you can offer your patrons access to information *beyond* your current periodical holdings.
