Board of Directors Meeting, June 22, 1941

The members of the Board of Directors met at luncheon in Parlor B of the Statler Hotel at noon. The directors present were: President Robert B. Downs, Secretary Benjamin E. Powell, Winifred Ver Nooy, A.C.R.L. director; Daisy L. Anderson, chairman of the Section for Libraries of Teacher Training Institutions; Martha R. Cullipher, chairman of Agricultural Libraries Section;

Sarah Griffiths, chairman of Reference Librarians Section; Gladys Johnson, chairman of Junior College Libraries Section; Earl N. Manchester, chairman of University Libraries Section; and Robert S. Stauffer, chairman of College Libraries Section. Others present by invitation were: Samuel W. McAllister, chairman of the A.C.R.L. Committee on Constitution and By-laws; Carl M. White, chairman of the A.C.R.L. Policy Committee; Charles M. Mohrhardt, chairman of the A.C.R.L. Committee on National Defense; Neil C. Van Deusen, librarian of Fisk University, to report on the Periodical Exchange Union; Frank K. Walter, representing Harold G. Russell, chairman of the Committee on the A.C.R.L. Interlibrary Loan Code; Guy R. Lyle, newly appointed chairman of the A.C.R.L. Publications Committee; Eugene Wilson, newly elected chairman of the Agricultural Libraries Section; Edward A. Henry, John S. Richards, and Ralph E. Ellsworth, members of the A.C.R.L. Committee on College and University Library Buildings.

Following the luncheon the business meeting was called to order by President Downs. It was

Voted to dispense with the reading of the minutes of the last meeting in view of their publication in *College and Research Libraries*.

The appointment of Guy R. Lyle as the new chairman of the A.C.R.L. Publications Committee was announced. In the absence of A. F. Kuhlman, President Downs presented his report of the Publications Committee. Before proceeding with a consideration of the report, the president asked for time in which to confer with the Comptroller of the A.L.A. and with members of the committee appointed to study the problem of the substitution of *College and Research Libraries* for the *A.L.A. Handbook and Proceedings*. It was therefore

Voted that the board should meet again on Tuesday at 9 A.M., the secretary to locate a meeting place and advise the members.

Frank K. Walter was then called upon to report for Harold G. Russell, chairman of the Committee on the Interlibrary Loan Code which was dismissed with thanks after

its report was accepted at the Cincinnati Conference. The purpose of re-examining the report was to study the substitution sentence inserted by the board when it was accepted. The substitution sentence replaced the last one in the paragraph under *Scope*, and read: "Libraries making reproductions should observe the provisions of the copyright law and the right of literary property." Some discussion followed the reading of Mr. Russell's brief report, after which the board

Voted to restore the original sentence in place of the amendment noted above. The restored sentence reads: "Borrowed material ought never to be reproduced without the permission of the lending library." It was further

Voted to print the report in *College and Research Libraries* and to make available reprints for distribution.

The report of the A.C.R.L. Committee on Constitution and By-laws was then represented by Chairman Samuel W. McAllister. It recommended constitutional provisions or by-laws providing that

"State, regional, or local chapters of the Association of College and Reference Libraries may be established by the Board of Directors on the petition of twenty members of the Association of College and Reference Libraries resident in the territory within which the chapter is desired and according to the following regulations:

- (1) Each chapter may establish its own constitution and by-laws.
- (2) Chapters may be discontinued by authorization of the Board of Directors of the Association of College and Reference Libraries.
- (3) At least one meeting shall be held each year.
- (4) Each chapter shall send a report of its meetings to the secretary of the Association of College and Reference Libraries at least two months before the annual conference of the American Library Association.

After discussion, it was

Voted to accept the report in the form appearing above and to present it at the Midwinter A.C.R.L. General Session. Carl M. White, chairman of the A.C.R.L.

Policy Committee, distributed copies of the committee's report, and members of the board were instructed to examine it and be ready to discuss it at a later meeting.

The chairman of the A.C.R.L. Committee on National Defense, Charles M. Mohrhardt, summarized the activities of the committee to date. It was

Voted that the progress report be accepted, the committee be continued, and a brief report be submitted for publication in the *Library Journal*.

The report of the Periodical Exchange Union, presented by Neil C. Van Deusen, disclosed that to date sixty-four libraries have agreed to participate. Copies of rules and regulations governing the exchange were distributed. It was

Voted to accept the report and to appropriate \$20 for expenses.

The meeting adjourned at 3:20 P.M. to meet again at 9:00 A.M. on Tuesday.

June 24, 1941

The Board of Directors meeting was continued at 9 A.M. in Room 448, Hotel Statler. Present were Downs, Powell, White, Lyle, Anderson, Stauffer, Manchester, and Wilson, of the previous meeting; and Foster E. Mohrhardt, a member of the committee which studied the substitution of *College and Research Libraries* for the *A.L.A. Handbook and Proceedings*.

Some discussion was devoted to the Policy Committee report, after which it was

Voted to accept the report and to publish it in *College and Research Libraries*. The committee was dismissed with thanks.

President Downs reported that lack of time will prevent President Robertson of Goucher College from writing the proposed book on the "President and the College Library."

With a view to having representation on the A.L.A. Council in proportion to A.C.R.L. membership, it was

Voted to authorize the new nominating committee to propose immediately eight names for new A.L.A. Council members, and that four of them be elected by mail vote.

With respect to section affiliation of

A.C.R.L. members, it was

Voted that each member of A.C.R.L. should be required to belong to a section, choice to be indicated when dues are paid.

It was decided to transfer the A.C.R.L. membership lists from the treasurer's office to that of the secretary.

Discussion was devoted to the life and personnel of A.C.R.L. committees before it was

Voted that

- (1) Members be appointed annually.
- (2) Appointments be staggered to provide continuity and new life, and that these appointments be subject to recommendations from the president and the chairman.
- (3) Five consecutive years of service on a committee be regarded as maximum for committee members.

President Downs next directed the attention of the board to the matter of the substitution of *College and Research Libraries* for the *A.L.A. Handbook and Proceedings*. He reported that only \$.41 was being allowed by A.L.A. for each substitution. Since 730 substitutions have been made, this credit of \$.41 rather than \$2.00, the subscription price, has resulted in a serious deficit in the budget. Foster E. Mohrhardt reported that the amount of credit to be allowed by A.L.A. was not investigated by his committee. There was general opposition to giving up the substitution plan, and, after much discussion, it was

Voted to ask subscribers, beginning with the next subscription year, to make up the difference between the allowance and the subscription price of \$2.00. This would mean that each subscriber substituting the journal for the *Handbook and Proceedings* would pay \$1.59. President Downs was authorized to present the matter to the A.L.A. Council.

(Subsequently, the Council voted to allow \$.50 credit for those desiring to make the substitution.)

Upon motion, the meeting adjourned at 10:15 A.M.

Interlibrary Loan Code—1940

(Continued from page 319)

returned, notice should be sent by mail at the same time. Promptness in this respect is necessary to permit books to be traced if they go astray. Notice of return should state *author and title* of each book sent, the date of return, and conveyance, e.g., parcel post, prepaid express. The method of conveyance and the amount of insurance should correspond with that adopted by the lending library.

Books should be protected by cardboard and wrapped in heavy paper. The package should be marked INTERLIBRARY LOAN and addressed to the department or division from which the loan came.

11. *Expenses in Connection with Loans*

All expenses of carriage in both directions, and insurance, must be borne by the borrowing library which may properly seek reimbursement from its patrons. Some libraries make a charge to cover the cost of the service. This practice is justifiable, particularly when loans are made to commercial concerns or to individuals who intend to use the material borrowed for financial gain.

12. *Safeguards*

The borrowing library is bound by the conditions imposed by the lender; these it may not vary. When no conditions of use

have been made, it may be assumed that they have been left to the discretion of the borrowing library. In any case, the borrowing library will safeguard borrowed material as carefully as it would its own; and its librarian will require to be used within its own building whatever would be so treated, in the interest of safety, were the borrowing library its possessor.

13. *Responsibility of Borrowers*

The borrowing library must assume complete responsibility for the safety and prompt return of all material borrowed.

In case of actual loss in transit, the borrowing library should not only meet the cost of replacement, but should charge itself with the trouble of making it, unless the owner prefers to attend to the matter.

14. *Violations of the Code*

Disregard of any of the foregoing provisions, injury to books from use, careless packing, or detention of material beyond the time specified for its return, will be considered a sufficient reason for declining to lend in the future.
