LC GENRE/FORM TERMS FOR RELIGIOUS MATERIAL PROJECT

A significant number of proposed terms were added to the Project wiki during the past few weeks. Please login to the wiki to review the current list.

Use the following directions to access the wiki at

<http://dev.atla.com/rosters/CONGRESS/default.aspx>:

Use your regular username and password. Once you are signed in, go the COMMUNITY tab. On the right, you should see “My Communities” and under that “Rosters.” Expand that roster list to see the link to the LC Genre Form Project. For best results, continue to use Internet Explorer to access the website.

A new question concerning genre headings for different types of theologies has been added to the Project webpage under the Roster Discussion link that appears towards the bottom of the column on the left. You may add additional discussion questions by clicking on “New” directly above the list of questions. Once you’ve filled in the resulting blank form with a title and body (if any), click on OK. Your new question will appear at the top of the list.

To comment upon a proposed term in the A-Z list that appears in the roster wiki, click on the term to display the full proposal which may include cross-references and notes, then on “edit” towards the upper right of the page. You may add references and notes in addition to general comments. When finished, click on OK.

LC’s schedule calls for the project to be completed in mid-2011. We would like to have a complete first draft of terms ready no later than the end of April 2011 for project participants to review and comment on. A model for that draft is the [Genre/Form Terms for Law Materials](#)

<http://www.aallnet.org/sis/tssis/committees/cataloging/classification/genreterms/genrefo/rmterms200910finaldraft.pdf>

It was prepared for LC by the Technical Services Special Interest Section of the American Association of Law Libraries in 2009.

A copy of this project update is posted on the Project website under Shared Documents. The next project update will be sent in 4 to 6 weeks. There are currently 41 people registered for the Project. Please continue to speak to others about the Project and to encourage those who are interested to register. To register for the project and obtain access to the project wiki, please contact Erica Treesh (etrees@atla.com)
