Prof. Francisco Alegria (Portugal – editorial office)
Prof. Sergio Rapuano (Italy – editorial office)
IMEKO Technical Committee Chairmen (Ex Officio)

ABOUT IMEKO

The International Measurement Confederation, IMEKO, is an international federation of actually 39 national member organisations individually concerned with the advancement of measurement technology. Its fundamental objectives are the promotion of international interchange of scientific and technical information in the field of measurement, and the enhancement of international co-operation among scientists and engineers from research and industry.
