Article history

Received and accepted July 13, 2016.

This article corrects: F. Bernardi, M.G. Ciaccio, B. Palombo and G. Ferrari, *Moment tensor inversion of early instrumental data: application to the 1917 High Tiber Valley, Monterchi earthquake*, *Annals of Geophysics*, 59 (3), 2016, S0318; doi:10.4401/ag-6850.

Corrigenda

[1] Page 1, Abstract, fourth last line:
for “slip” read “rake”.

[2] Page 9, left column, third last and second to last line:
for “This method has been tested on some recent earthquakes.” read “This method has been tested on some recent earthquakes and applied in Vannoli et al. [2015].”

[3] Page 10, left column, ninth line from bottom:
for “strike/dip/slip” read “strike/dip/rake”.

[4] Page 13, References:
the following reference needs to be added: “Vannoli, P., G. Vannucci, F. Bernardi, B. Palombo and G. Ferrari (2015). The source of the 30 October 1930, Mw 5.8, Senigallia (central Italy) earthquake: a convergent solution from instrumental, macroseismic and geological data, *B. Seismol. Soc. Am.*, 105 (3), 1548-1561; doi:10.1785/0120140263”.
