---

The Canadian Association of Research Libraries (CARL) offers research grants to librarians working in CARL member institutions and to future library staff (students of Library and Information Studies in Canada). Funds are awarded through the *CARL Research in Librarianship Grant*.

CARL has designed the *Research in Librarianship Grant* to support projects

involving structured evidence based research that proposes answers to real-world issues. Two grants of up to \$2,000 each per year will be awarded when merited.

For more information see <http://carl-abrc.ca/en/research-libraries/grants/research-in-librarianship-grant.html>.
