

# 11<sup>th</sup> International Conference on Social Representations

*Social Representations in Changing Societies*

25 - 28 Jun 2012

Évora, Portugal

III Colóquio Luso-Brasileiro sobre Saúde, Educação e Representações Sociais

## 11th International Conference on Social Representations

25-28 June 2012

Évora, Portugal

We are pleased to announce the first call for proposals to the 11th International Conference on Social Representations (CIRS) to be held in Évora, Portugal, between the 25th and the 28th of June 2012, under the theme "Social Representations in Changing Societies".

All interested authors are invited to submit proposals for symposia, oral presentations or posters, under the following thematic axes:

1. Theoretical and methodological issues
2. Problems arising from globalization
3. Economic, social, political and cultural crises
4. Intergroup relations: From communities, to regions, to societies
5. Problems in specific areas of Health, Education, Environment and Justice
6. Inter-generational relations
7. Collective and social memory
8. Media, communication, discourse, advertising
9. Stigmatization and discrimination
10. Science, technology and new social practices

The deadline for proposals submission is the 31 January, 2012.

Until the 30 March 2012 authors will be informed about the acceptance or non-acceptance of their proposals.
