## **CORRIGENDUM**

By unintentional error, in the printed edition of the previous issue (Vol 68, N° 1), in the paper THE PERCEPTION OF UNETHICAL ISSUES IN SELECTED THAILAND TOURIST AREAS: MEASURING THE ATTITUDES OF FOREIGN TOURISM STUDENTS by Božić, S., Jovanović, T., Dragin, A., Spasojević, B., and Lukić, T., the second author has been omitted.

The error occurred on the first page of the paper in the printed edition. Under the title of the paper, Sanja Božić, Aleksandra Dragin, Bojana Spasojević, and Tin Lukić are signed as authors, and it should have been written – Sanja Božić, Tamara Jovanović, Aleksandra Dragin, Bojana Spasojević, Tin Lukić.

In Contents, as well as in the electronic version of the Journal, the authors are listed correctly.

We apologize to the authors and readers for an unintentional mistake.
