This Is YOUR Office

PLANNED AND MAINTAINED TO SERVE

YOU

AND OTHER BUSY PRIESTS

Thousands of priests throughout the country tell us that they find our publications and services of invaluable assistance to them in their work and even more eloquently testify to this fact by **CONTINUING TO USE** these publications and services year after year. Perhaps some of *The Queen's Work* material described in these pages will help **YOU** to solve some parish organization problem, to save some precious time in the instruction of converts, to provide yourself with more effective lay assistance, or the like—so may we tell you about what we have to offer?

YOUR QUEEN'S WORK OFFICE

IS

the Central Office of the Sodality of Our Lady in the United States. It was established in St. Louis (selected because of its central location) in 1913, at the order of the general of the Society of Jesus.

The Central Office is purely a *service* office for the Sodalities of America. It has no power over Sodalities. The bishop of the diocese is the superior, and the Sodalities are established by his authority. Jesuits have no power over Sodalities outside their own parishes and schools. The staff of the Central Office are promoters, organizers, servicers, **NOT DIRECTORS**.

By special arrangement with Jesuit superiors, **THE QUEEN'S WORK** office is *entirely non-profit*. Any apparent profit is applied to Sodality promotion.

ITS PURPOSES ARE:

1. To help parishes and schools to establish and affiliate Sodalities correctly.
2. To give such Sodalities the greatest possible assistance and service—all that is needed for a full Sodality life. The Central Office was especially instructed to bring back to Sodalities the original Sodality spirit and to help develop in them deep spirituality and active Catholicity.
3. **TO GIVE SIMILAR SERVICE TO ANY OTHER CATHOLIC GROUP.**

PUBLICATIONS, SUMMER SCHOOLS, ETC.

The Queen's Work is a magazine with a circulation of over 85,000. The Central Office publishes separate magazines for those in charge of organizations: *The Director's Bulletin*, *The Faculty Adviser*. It publishes pamphlets and books on subjects of modern religious interest. It runs Summer Schools of Catholic Action. This year these were held in St. Louis, Pittsburgh, Boston, New York and Chicago and were attended by over 6500 priests, religious, laymen and women.

The Central Office also publishes regular services, programs, and the like, for various types of Sodalities. These **FREE SERVICES** are described on page 30.
